First Regular Stockholders Meet Called By Bank Of Belle Glade

A call to meet has gone out to all stockholders of the recently organized Bank of Belle Glade on April 17th at 3:00 p. m. in the Community Center.

The published purpose is "of organizing said corporation electing directors, adopting by-laws and transacting such other business as may come before the meeting."

According to E. B. McDaniel, Jr., who is scheduled to be President of the Bank, "all capital necessary for the opening is in the hands of the organizing committee."

The group has received its charter from the State and has moved out of the Architect and the Building Committee, and announcement of a target date for opening the bank in its own building is expected sometime soon.

Building plans are being finalized by the Architect and the Building Committee, and announcement of a target date for opening the bank in its own building is expected sometime soon.

During the formative days, McDaniel is at the temporary office of the group on Avenue "A".

Members of the Belle Glade Chapter of the Peace Officers' Association together with their families, enjoyed a chicken and rib barbecue Sunday afternoon at the lake near the Belle Glade Marina.

City Manager Sorum and his wife were guests.

There are three boys in Chicago who will most likely be visiting Grandma and Grandpa; they are sons of one of his daughters who live in Chicago.

The Sorums are Lutherans, and have customarily been active in the denominational activities.

"We have never, in our lives," says both Sorums, "run into such friendly people; they have been marvelous."

Mrs. Sorum's hobbies are all painting and golf gardening.

A 3-c Robert Stratton, who was home on leave for 24 days but came down with the measles, which prolonged his stay for 7 days Saturday night his parents, Mr. and Mrs. Lloyds Cox entertained at their home with an open house and dancing for his classmates he graduated with last year. His guests: Mr. Herman Sweet and Mrs. Sweet also attended from Miami. He left Monday for his base at Minot, N. Dakota where he will be an administrative clerk. He had his basic training at Lackland AFB, Texas.

Bobby's oldest brother, Gerald B. Huskey who was in the Coast Guard at Norfolk, Va., was here also with his wife, and children Linda and Buddy. He left to report overseas duty in Honolulu at the same time his brother left.

South Bay Water Subject Of Meeting Of 2 Commissions

Mayor Grigby reports that the South Bay Council and the City Commission of Belle Glade met in extraordinary session Tuesday night for the purpose of discussing the low water pressure throughout South Bay.

"We found the Belle Glade Commission most cooperative," says Mr. Grigby, and just as we have a report of our engineer on suggestions made we expect to have the conditions remedied."

Growing pains of both communities are pressing the plans of improvement of both areas, it appears. Belle Glade has been trying for a number of years to find an economical way to get pure Lake water, but so far has been stymied because of excessive costs.

During the formative days, McDaniel is at the temporary office of the group on Avenue "A".

Members of the Belle Glade Chapter of the Peace Officers' Association together with their families, enjoyed a chicken and rib barbecue Sunday afternoon at the lake near the Belle Glade Marina.

City Manager Sorum and his wife were guests.

There are three boys in Chicago who will most likely be visiting Grandma and Grandpa; they are sons of one of his daughters who live in Chicago.

The Sorums are Lutherans, and have customarily been active in the denominational activities.

"We have never, in our lives," says both Sorums, "run into such friendly people; they have been marvelous."

Mrs. Sorum's hobbies are all painting and golf gardening.

A 3-c Robert Stratton, who was home on leave for 24 days but came down with the measles, which prolonged his stay for 7 days Saturday night his parents, Mr. and Mrs. Lloyds Cox entertained at their home with an open house and dancing for his classmates he graduated with last year. Two Republicans Go To Tall By Default Of Demos Votes

Two practicing attorneys who profess republican leanings in Democratic county have been given expense-paid trips to Tallahassee over the next two years with an "on-the-job" training, through observation, of state government.

They will have an official status as Members of the House from Palm Beach County — for Democrats stayed away from the polls Tuesday in droves, to allow republicans to win two seats.

In precincts on the coast 1,277 democrats elected Mr. Reed by staying away from the polls. Mr. Moudry had a special appeal to some voters for it took 1,442 democrats, plus some INFLUENCED democrats, to give Mr. Moudry a lead over Gene Moore.

Palm Beach County will have four SEATS in the Legislature and two REPRESENTATIVES, if historical happenings are an indication.

We have been told that the lawyers on the coast wanted their profession to have the two new seats allowed Palm Beach County — anyhow, they should be pleased at the results.

Altogether, the Glades voted 180 republicans and 545 democrats, as follows:

Harvest Queen Contest 'Bigger 'n Better' 41 Contestants To Confuse The Judges

Forty-one teenage Glades ladies will give the judges a real choice in a display of poise, accomplishments, physical perfection and personality on Saturday night, April 6th when the Tenth Annual competition sponsored by Belle Glade Jaycees is held to select a HARVEST QUEEN.

The winner will be given a trip for two to Nassau, a hand-made wardrobe and other perquisites that appeal to young ladies of their age, including lessons at the Kays Lowe Modeling School.

Nine past presidents of the Jaycees and nine past Queens will be honored at a dinner at the Community Building at five p. m. on Saturday afternoon before the grand occasion.

A well-known dance orchestra will provide dance music at ten o'clock following the crowning, at the Armory.

The Jaycees will provide a rock-n-roll band for the younger set that night at the Community Building.

You'll be proud to belong to a community where such lovely youngsters participate in this wholesome affair as modest as with bad eyes won't be able to get the full benefit of the performance, but there's many an eye-ful for those with 20-20 vision, natural or corrected.

With a professional background of twelve years experience as a Management Consultant in Chicago, a term as Mayor of his hometown at Hugo, Oklahoma, and five and a half years as Executive Administrator at Cape Canaveral, Mr. S. J. Sorum comes to the position of City Manager at Belle Glade, with a triple-sized viewpoint.

At Canaveral, Mr. Sorum had some 8,000 employees including 360 policemen, 184 firemen and more than 183 miles of streets, aside from the other normal facilities of a community.

Mr. and Mrs. Sorum live in the John Paul Jones apartments pending selection of a site on which they expect to build a home.

There are three boys in Chicago who will most likely be visiting Grandma and Grandpa; they are sons of one of his daughters who live in Chicago.

The Sorums are Lutherans, and have customarily been active in the denominational activities.

"We have never, in our lives," says both Sorums, "run into such friendly people; they have been marvelous."

Mrs. Sorum's hobbies are all painting and golf gardening.

A 3-c Robert Stratton, who was home on leave for 24 days but came down with the measles, which prolonged his stay for 7 days Saturday night his parents, Mr. and Mrs. Lloyds Cox entertained at their home with an open house and dancing for

Agriculturally Speaking
 by
JOHN CAUSEY
 Associate County Agent
 Glades Area

We in the County Agent's Office would like to call to the attention of all Sugar Cane Growers and vegetable growers the chance of damage to vegetable crops by the use of 2, 4-D and 2, 4, 5 - T on sugar cane fields close to the vegetables plantings. In the area, we have seen several cases of injury to sensitive vegetable crops from 2, 4 - D application to nearby sugar cane. In the past few weeks, which emphasizes the need for caution when these herbicides are used. Drift injury has been observed one-fourth mile away from sprayed sugar cane fields and it can be eliminated by proper attention to wind direction and velocity and the careful use of application equipment.

Dr. Joe Orsenigo, of the Everglades Experiment Station, reports that recent trials have demonstrated the effectiveness and economy of the following herbicide treatments for controlling pigweed: A. Karmex and Telvar sprayed at one-half pound per acre plus Sticker-Spreaders X-100, 1 percent by volume. D. Nozime one-half to 1 pound per acre plus 2, 4 - D amine at one-half pound per acre. C. Karmex or Telvar sprayed at one-half pound per acre plus 2, 4 - D amine one-half pound per acre plus Sticker-Spreaders X-100, 1 percent by volume. D. Nozime one-half to 1 pound per acre plus 2, 4 - D amine one-half pound per acre. E. Azzaline one-half to 1 pound per acre plus Sticker-Spreaders X-100, 1 percent by volume.

All herbicides rates are per sprayed acres. X-100, 1 percent by volume requires 1 gallon for each 100 gallon tank capacity. The addition of 2, 4 - D provides better control of other broad leaf weeds. Light, temporary "burning" of cane foliage may follow use of Karmex or Telvar. It is desirable to spray with drop nozzles as a semi-directed spray toward the base of the sugar cane plant. Chemical cost can be reduced by hand application to the sugar cane drill only. For the Home Gardener — Soon will be time to prune back poinsettias as the old blooms will be dying and new growth will soon start from the old canes. This is the time when severe pruning should be done and the long canes should be cut back to about 12 to 15 inches from the ground. This mature wood can be used as ideal planting stock for new plants provided it is not infected with Poinsettia Scab. The plants should be fertilized with 2 lbs. per 50 feet of bed area at the time of pruning with an 0-12-16 fertilizer. Now to make a very bushy plant remove the terminal bud of the new shoots when they reach 6 to 8 inches in length. A good rule of thumb, is to remove the new shoots after three new leaves have formed. The plant will grow more compactly and to produce more branching on which to grow new leaves. This pruning should be stopped about September 1st.

UNCLE DAN says:
 Dear Mister Editor:
 The fellers at the country store Saturday night was setting around adding up their blessing and subtracting their burdens and I'll have to report they come out about even.
 On the blessings side, Ed Doe little was given thanks for the fact his old lady ain't offered him no advice about nothing in a whole week. Ed reported he was getting fed up on his old lady trying to give him advice all the time. He allowed as how a feller that could tell the difference between good and bad advice didn't need neither one, and if he couldn't tell the difference, the advice wouldn't do him no good anyhow. Confidential, I think Ed's old lady has been advising him to do a little work around the place for a change.
 And Ed reported he had saw in the papers where a Illinois agriculture expert named George E. Smith has announced official that he has been able to get bumper corn crops by bombarding corn fields with music sounds. He claims he has increased corn yields from 8 to 10 per cent with music.
 In the first place, claims Ed, we got too much corn surplus now and using this music fertilizer was working again the farm problem. He was of the opinion the Government should start right now barring any farmer from getting a handout that was growing corn to music.
 Zeke Grubb figured that corn grown to music would make fine popcorn and that any growers that was using this new music fertilizer could get the difference between the regular price and the Government hand out price by getting into the popcorn business.
 Clem Webster told the fellers he couldn't figger which was worse, using this new music fertilizer or the non-existent fertilizer invented by Billy Sol Estes. This brings up a discussion about whether or not they was ever going to be able to get Billy Sol behind the bars. Ed Doe little was agin it, said if they put him in jail he'd write a book of allowed as how it was a dangerous thing anyone to put a feller in jail that could read and

write. He started out with Alger Hiss and named a long list of fellers that has got famous from writing a book in jail. Ed says throwing some of them smart operators in jail for a spell is like throwing a rabbit in a briar patch. They love it, come out on the best seller list. I agree with Ed, Mister Editor, that if they is any chand Billy Sol will write a book, it would be better for the Government to let him stay in the non-existent fertilizer business. And I'm solid agin any Government aid to farmers growing corn to music.
 Yours truly, Uncle Dan

"What makes the leaves look so funny?"

We've got a couple of diseases in our corn crop, son. One is a leaf blight with a long name. The other is Puccinia rust.

And our celery—is the same disease in that?

No, that's celery blight. If we don't do something about it, those diseases could ruin our crops—cost us a lot of money.

Then what are we gonna do?

Our spray truck is all loaded up and ready to go right now. We're using DITHANE M-22—they call it a maneb fungicide. It'll control the diseases in our corn, and our celery, too.

How can you be sure?

Because it's been tested for years. Most of the farmers around here use it to keep their corn and celery healthy. Wait and see—come harvest time, we'll have a big yield of top quality corn and celery.

Hey, here comes our spray truck! Tell him to use DITHANE M-22 on the half acre you said was mine!

DITHANE M-22

Al Harris' Feted At Housewarming

Mrs. Al Harris was overwhelmingly surprised when a housewarming at their new home 17 N. E. Ave. H. honored the couple last Friday night. Mr. Harris was in on the surprise and invited Neta out to dinner, when they returned the guests had arrived.

The hostesses were Mrs. Eva Kruse, Mrs. Louise Ellis, Mrs. Jean Penuel, Miss Betty Wood, Mrs. Alline Plank, Mrs. Hazel Bryant, Miss Jean Levesque, Mrs. Muriel Eggleston, Mrs. Yvonne Reese. They served delicious refreshments from a lace covered table, centered with an arrangement of tangerine carnations and white mums.

Approximately 60 guests called during the evening. The honored opened many lovely and useful gifts for her new home.

Mrs. Dora McWhorter Feted On 81 Birthday At Family Reunion

The O. G. McWhorter home was the scene of the annual family reunion Sunday, with about 32 enjoying the event which also celebrated the 81 birthday of Mrs. Dora McWhorter.

Present were Mr. and Mrs. J. W. McWhorter, Sr., and children, Dawn and Allen, Mr. and Mrs. J. W. McWhorter, Jr., Mr. and Mrs. Charles McWhorter, Mr. and Mrs. Calvin McWhorter, all of Miami; the G. L. Connells, Miss and Mrs. Frank Dooley and Miss Patsy Dooley; the James Dooley family, C. L. McWhorter and family, Mrs. Corinne Tittsworth, Mrs. Nell Scullen and the O. G. McWhorters, all of Belle Glade.

Party Compliments Miss Mary McMillan

A surprise birthday party honored Miss Mary McMillan Sunday night given by Miss Betty Echols and Miss Irene Lawson.

Entertainment included dancing and refreshments of cake and punch were served. Others enjoying the party were Miss Jan Bottoms, Mr. and Mrs. Joe LaFlam, Don Fleish, Fritz Surrency, Sam Turnbull, Dale Hillburn and Bill Burr.

Newlyweds Making Home In Ala.

MR. AND MRS. MERVIN GRANBERRY

The home of Mr. and Mrs. Aubrey Farmer, 173 N. E. 3rd St., Belle Glade was the setting for the marriage of their daughter, Hayward Jean, and Mervin Granberry, of Headland, Ala., son of the late Mr. and Mrs. Challen Granberry.

The double ring ceremony was performed by the Rev. Luther A. Key, pastor of the First Baptist Church, Belle Glade before a background of chrysanthemums, white lilies and palm trees.

The bride chose for her wedding a light blue wool suit with blue accessories and a white orchid corsage.

Miss Peggy Ann Farmer was her sister's maid of honor in a beige suit with beige accessories and flowers of bronze and orange chrysanthemums.

Bill York, of Cocoa Beach, uncle of the bride served as best man.

Mrs. Farmer for her daughter's wedding was attired in a light blue flowered jersey dress with white accessories and a corsage of white carnations.

A reception immediately followed the ceremony. Assisting in serving the 3 tiered bride's cake and punch were Mrs. Mary Love, Mrs. Fred Farmer and Mrs. Gene (Judy) Duncan of Oceanside, Calif.

Mrs. Granberry is a graduate of Belle Glade High School and had been employed by Southern Bell Telephone Co. Mr. Granberry, a graduate of Headland High School is presently

Robert Rainey, 13 Celebrates Birthday

Robert Rainey was honored on his 13th birthday with a party March 19, when his mother, Mrs. Helen Rainey and his sister, Joyce entertained a number of his friends at their home 1516 N. W. 12th St.

The teenage boy and girls played games and had lots of fun. The beautiful birthday cake decorated with yellow roses and green leaves was inscribed "Happy Birthday, Robert." Cake, Cokes and ice cream were served.

Guests present were Nancy Stratton, Debbie Cox, Pam Cox, Wayne Tryon, Van Strickland, Vickie Strickland, Patsy Strickland, Glenda Strickland, Johnny Baker, Danny Muriel Harper, Hazel Ervin, Timothy Ervin, Buddy Huskey, Allen Ervin, Jimmy Baker, Linda Huskey.

Randy Davidson, 9 Honored With Party And Wiener Roast

Mrs. Paul Davidson entertained at McDonald Municipal Park on Wednesday, March 20 with a wiener roast and birthday party honoring her son, Randy, on his 9th birthday.

A cowboy theme was carried out in birthday cake and favors and pictures were taken by brother Paul.

After opening the gifts, a wiener roast with all the trimmings was enjoyed by the following guests: Buich Denille, Diana Hickman, George Archer, Phyllis Giese, Brian Cross, Wayne Broome, Teresa Nelms, Dee Mathis, Bobby Allen, Jimmy Floyd, Reenie Joe, Dowery Davis, Rickey Shoe-maker, Kathy Thomas, Sterling Winchester.

Mrs. Robertson and Mrs. McDonald, park supervisors assisted with the party.

Mr. and Mrs. Avery Bass have moved into their new home on the corner next to their former home. Their son, Kenneth Bass was the contractor.

Mr. and Mrs. Fritz Mueller and baby Heidi are visiting Mr. and Mrs. J. K. Baker from New Orleans, La.

Personal Notes

S-Sgt. and Mrs. James C. Love are visiting her parents, Mr. and Mrs. Lottie Greer and son, Fred. Sgt. Love is home on leave after 18 months at Tarragon AFB in Madrid, Spain. Weekend guests were also T-Sgt. and Mrs. W. A. Crawford and Rebecca Ann Cooley of Orlando.

Ralph Freeman made a business trip to Belle Glade last week. The Freemans, former residents are now residing at Tuxedo, N. C.

Mr. and Mrs. Alexis Wright of Miami Beach stopped by to visit with Mrs. Nell Scullen enroute to Mountain Lodge, their summer home near Sylva, N. C.

Mr. and Mrs. Lonnie Warren and Mrs. Warren's mother, Mrs. Della Altman were weekend visitors at the home of Mrs. Hazel Reynolds, another daughter of Mrs. Altman, residing in Bartow.

M. M. Sabiston is slowly recuperating at his home after having surgery over two weeks ago at St. Mary's Hospital.

Miss Sara Diggs, former teacher here for 14 years, arrived this week from her home in Paris, Tenn., for a visit with Miss Kathleen Rogers at the Rictu Motel.

Guests for several days of pastor and Mrs. William Reitz of St. Peter's Lutheran church were very good friends, Mr. and Mrs. Arthur Schroeder and Miss Clara Reidel from Milwaukee, Wis. They were overwhelmed by the magnitude of operations in this area and enjoyed a tour of the surrounding country side.

Mr. and Mrs. Jack Overbey, Carolyn and Michael from Ft. Myers spent the weekend with their parents, Mr. and Mrs. Ralph Kiddier.

Curly McKee and his house guest Bob Lee, a nephew of Miss Sara Diggs of Paris, Tenn., former teacher here, were visiting Curly's parents, Mr. and Mrs. Gerold McKee during the spring holiday vacation from Vanderbilt University at Nashville, Tenn. They also visited Katherine Rawls at Golden Gate Hotel, Miami Beach and enroute back stopped over to see some of Curly's friends at FSU.

Mrs. Cook Entertains Twenty-Two at Dinner

Mrs. Rosa V. Cook entertained with a dinner Sunday honoring two couples on their 35th wedding anniversary and also celebrating her son Basil's birthday.

Sunday marked the 35th anniversaries of Mrs. Cook's brother and sister-in-law, Mr. and Mrs. W. G. McGill, recently moved to Belle Glade and Mrs. McGill's brother-in-law and sister, Mr. and Mrs. Watt Dubose of Bradenton.

Others present and enjoying the delicious turkey dinner and all the trimmings were Mr. and Mrs. J. H. McGill and son, James Earl of Miami, Mr. and Mrs. Fred Elliott of Frostproof, Mr. and Mrs. Basil Cook and three boys, Mr. and Mrs. Robert Earl Cook and two daughters, Belle Glade Mrs. Carl Green and son, Al from LaBelle and Emmett Rainey.

Churches To Observe Cancer Sunday Marking Official Opening Of Crusade

HOW CHRISTIAN SCIENCE HEALS

WSWN
800 E. G.
Sundays
12:45 p. m.
"THE MEANING OF PRAYER"

On Sunday, March 31, churches and congregations throughout Palm Beach County will observe Cancer Sunday which will mark the official opening of this year's annual Cancer Crusade.

Harry Massey, West Palm Beach, serving his second year as county crusade chairman, said again this year, "The American Cancer Society will emphasize 'to cure more, give more' and 'fight Cancer with a check-up and a check.'"

Massey pointed out that while it is now possible to save at least one out of two of those who develop cancer, only one of three is being saved.

Because of the unnecessary loss of life, he said, "the first goal of the 1963 Crusade will be to get more people to doctors in time for early treatment. An annual health check-up is a person's best protection against death from cancer."

Second goal of the 1963 Crusade, Massey explained, "will be more money needed through research. Only through re-

search can we hope eventually to save the one half of those who develop cancer who can not now be saved. New knowledge of cancer is piling up at a rapid rate.

Contribution to the 1963 Crusade will pay dividends in the future. Massey said, "It is gratifying that the 1962 Crusade with its contributions exceeding \$39,000,000 nationally, was our best Crusade in history. I believe the people of Palm Beach County will give more in 1963 to cure more."

Massey estimated that more than 1,000 volunteers will be taking part in the county crusade this year.

Christian Scientist To Sponsor Six Special Programs Over WSWN

Six special radio programs on some of the basic elements of Christianity will be broadcast in "The Bible Speaks to You" series beginning March 31.

"The Meaning of Prayer" is the title of the first program. It will be followed by "The Meaning of the Cross," "The Meaning of the Resurrection," "The Meaning of Atonement," "Atonement and the Lonely Crowd" and "The Meaning of Baptism."

The programs are a Christian Science production, and broadcast locally over station WSWN every Sunday at 12:45 p. m.

Altar Society Officers Attend Deaconery Meeting

Mrs. Charles Duxbury, President, and Mrs. Bill Reese, Secretary, attended the Diocesan Council of Catholic Women Spring Deaconery Meeting. The East Coast Deaconery was hosted by St. Clare's Women's Guild in North Palm Beach.

The MONEY CAKE SALE will be held on April 21 after the first Mass.

A nominating committee of three has been appointed by President, Mrs. J. C. Bowen, Mrs. C. Lockmiller and Mrs. J. Murphy. The committee shall present its slate of officers at the April meeting, nominations may also be made from the floor.

MAR. 28. 1963 THE HERALD, Belle Glade, Florida Page 9

present its slate of officers at the April meeting, nominations may also be made from the floor.

What Do I Wish?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a source of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Church News

First Baptist Sets New Member Reception Mar. 31

The First Baptist Church, 17 Northwest Avenue B will hold the first of its new member reception Sunday, March 31, following the 11:00 o'clock hour of worship. These receptions will become a permanent event in the activities of the church thereafter. All people who have joined the church since the Reverend Luther A. Key became pastor on October 17, 1961 will be honored at the reception to be held in the dining room of the church. Approximately 180 people will receive special invitations to the event.

The arrangements are under the direction of the Entertainment and Fellowship Committee and the Kitchen and Dining Room Committee. The Training Union organization will sponsor the affair. Seating arrangements are being made so that Active Deacons and their wives will serve as hosts to an equally divided number of the new members.

Words of welcome and information pertaining to First Baptist will be extended by S. M. McEllister, Chairman of Deacons; T. E. Burgess, Sunday School Superintendent; Leo Danieli, President Men's Brotherhood; Mrs. W. L. Cunningham, Jr., President, Woman's Missionary Union; and Mrs. Tony Stein, Training Union Director.

The church staff and members of the church are making every effort to make this a highlight for all new members. The fellowship around the dinner-table will be well "seasoned" with delicious food from the kitchens of the excellent cooks that compose the membership of the church. Covered dishes containing succulent mouth-watering food of all kinds will satisfy the most hearty gourmets. Bread, butter and a variety of beverages will be provided by the church.

Baptismal Service Held For Philip A. Dulany, Jr.

Mr. and Mrs. Philip Allen Dulany presented their little son, Philip Allen, Jr., three and one half months old, for dedication and baptism at Community Methodist Church last Sunday morning. The Rev. William R. Boland, pastor, conducted the service.

Mr. and Mrs. H. V. Draa, Sr., and Mr. and Mrs. John A. Dulany, the baby's grandparents, and Mrs. Calvin A. Shive, Pahokee, paternal grandmother, stood at the altar with his parents.

Other relatives present for the service included Mayor and Mrs. Duncan Padgett, Mr. and Mrs. O. Daniel Carpenter, Pahokee; Dewitt Draa, Mr. and Mrs. Sydney K. Smith, Jr., Sydney, Ill.; Kathryn Jane and Allen Ann Smith, Mr. and Mrs. Milton O. Carpenter, Colette and Karen Carpenter.

Home Mission Field Program Of W. S. C. S. At Lake Harbor Church

The W. S. C. S. of the Community Methodist Church, Lake Harbor met at the church Monday night, March 18th. Mrs. J. O. Jameson, Vice-President, presided in the absence of Mrs. J. D. Hemphill. Mrs. Lloyd McKinley was in charge of the program which was on "Home Mission Field." The devotion on "The Cross and the Crown" was given by Mrs. Lester Gerney.

After a short business session the meeting adjourned to the Educational Building for a social hour with Mrs. Gerney as hostess. Those present were Mrs. J. O. Jameson, Mrs. Lester Gerney, Mrs. Frank Robertson, Mrs. J. F. Royal, Mrs. L. C. McKinley, Mrs. R. L. Saxon and Mrs. H. D. Merriam.

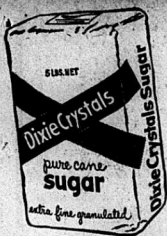

36 days that proved Ford's total performance!

<p>RIVERSIDE, CAL. January 20</p> <p>In a total performance test of brakes, steering and control on the hilly, winding roads of Riverside, California, Ford's new V-8 Mustang won the victory over all other cars. The 200-hp. V-8 Mustang demonstrated Ford's superior steering and handling.</p>	<p>MONTE CARLO January 23</p> <p>The 1963 Falcon V-8 Sprint made their debut with a fantastic showing in the 2,500-mile Monte Carlo Rally. Through Europe's worst winter weather they showed fast and firm control. Besides this, one Sprint obtained every entrance in the Rally's six special stages.</p>	<p>PURE OIL TRIALS January 27</p> <p>In a competition designed to test all-around performance, Ford's were overall winners in Class I and Class II in the Pure Oil Performance Trials at Daytona. Their total performance design added up to most total points in gas economy, acceleration and braking tests.</p>	<p>DAYTONA, FLA. February 24</p> <p>Daytona "500" Motor was dominated by 1963 Ford Mustang. In the final race, Ford's new Mustang was the top performer in the world. But this was only the beginning of Ford's total performance design on modern automobiles.</p>
---	--	---	--

...and here are the 63 1/2's that gave total proof of Ford's durability and handling!

You may never see a competitive auto event. But at 80 mph on rain-slick blacktop, in the close-packed rush of 5 o'clock traffic, on a twisting mountain road, the results are important to you. On every slippery surface you need the kind of roadability that placed five Fords out front in the Daytona "500." On every busy cross street you want the brakes that won on Riverside's sports car circuit. Your engine will hold up better through years of turnpike use because it's as beautifully balanced as Falcon's Monte Carlo V-8's. The winning competition car is bound to be a great road car—and Ford is the big winner!

Dewitt Draa Talks

On Building Const.

At Miami High School

Dewitt Draa was one of a group from University of Florida Building Construction Dept., attending the "Career Day" program held at Miami High School Monday and Tuesday.

Other students Don Crews and Mike Pellike along with Draa gave talks on building construction. Enroute to Miami, Mr. Draa spent the weekend with his parents, Mr. and Mrs. H. V. Draa of Belle Glade.

Two Glades Students

Makes FSU Deans List

Florida State University today announced the Dean list for the first semester, containing the names of undergraduate students with the best academic record during the trimester.

Among those from Palm Beach County making the list are Miss Marilyn Matthews, daughter of Mr. and Mrs. W. D. Matthews, 609 N. E. First St., Belle Glade and Katherine D. Young of Canal Point.

To make the Deans' list students must have carried 12 or more trimester hours of work and in most divisions must have made a grade average of 3.0 (B) or higher. Students in the College of Arts and Sciences had to make an average of 3.25 and those in the School of Nursing 3.5.

Schedule For Glades Mobile X-ray Unit

Thurs., Mar. 28 — Bear Beach Hamilton Store, 1 - 4 p. m. — Rita Sugar Camp 5 - 8 p. m.

Fri., Mar. 29 — Lake Harbor, Post Office 1 - 4 p. m. — Miami Locks Sugar Camp, 5 - 8 p. m.

Sat., Mar. 30 — Bean City, Post Office 1 - 4 p. m. — South Shore Sugar Camp 5 - 8 p. m.

Skip the sulphur and molasses —

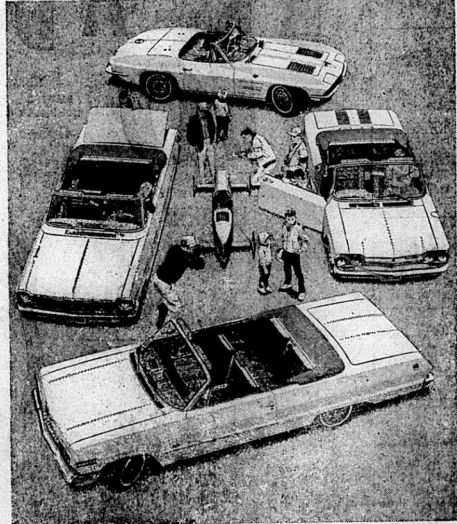

get a CHEVROLET SUPER SPORT

Chevrolet Super Sports* have a charm that soothes your springtime yen for romantic adventure as fast as you can slip into a bucket seat. (Especially the Impala's, with its adjustable new Comfortilt steering wheel.) Front bucket seats are a great start, but Super Sports also feature plush all-vinyl interiors, special interior-exterior trim in tasteful touches, and a veritable feast of goodies we call performance options.* Chevrolet and Chevy II Super Sports invite adventure in convertible or coupe form. That same Super

Sport sing applies to the Corvair Monza Spyder, very breezy with its air-cooled 160-horsepower rear-mounted engine, and 4-speed shift*. Ditto for the new Corvette Sting Ray, a magnificent thoroughbred among pure-blood sports cars with not a single sacrifice in comfort. Both Spyder and Sting Ray come in coupe or convertible styles. All Chevrolet Super Sports are like spring days — you've got to get out in them to save them. So catch yourself a passing zephyr and wait on down to your Chevrolet showroom.

*Optional at extra cost.

Models shown clockwise: Corvair Monza Spyder, Chevrolet Camaro, Chevy II Super Sport, Chevrolet Nova, Chevrolet Chevelle, Chevrolet Impala, Chevy II Super Sport, Chevrolet Camaro, Chevrolet Nova, Chevrolet Chevelle, Chevrolet Impala, Chevy II Super Sport, Chevrolet Camaro, Chevrolet Nova, Chevrolet Chevelle, Chevrolet Impala, Chevy II Super Sport.

Outstanding Fungus Control !

Dyrene effectively combats early blight, late blight and Rhizoctonia... Greatly increases Celery Yields... Upgrades Quality
Dyrene is so effective that significant increases in both crop quality and yields usually result from its use. In 6 years of cooperative research and commercial use, Dyrene has proved its outstanding

control of the important fungus diseases that attack celery. Growers from every important celery area of the country report substantial increases in yield over fields treated with conventional fungicides. Dyrene will not harm foliage... does not affect flavor or odor... leaves no harmful residue. For finer celery and more of it, use Dyrene. It works! At your farm supply dealers.

SHOP AT
KAHN'S

Star, honored Master Masons, held at the Masonic Temple last Thursday evening, March 21. Mr. and Mrs. James Hendry presided as Worthy Matron and Worthy Patron.

Mrs. Madge Taylor was appointed new Grand Instructor during the business session. Mrs. Mary Young of Pahokee was introduced as past matron.

Master Masons introduced included Donald Askey, W. J. Norris, Robert J. Allen, Jim Herring, Fred Simmons, James Hendry and Mr. Bendas, a visitor, from Constantine, Ecuador.

An interesting feature of the program included verses given by Star Points in honor of Masons. Mr. Hendry gave the concluding verse which featured the theme of friendship.

Hostesses included Mrs. Gladys Williams, Mrs. Ruth Williams, Mrs. Dorothy Hayes, and Mrs. Faye Greer.

The next meeting of the chapter will be on April 4.

Chosen Garden Club Program And Workshop On Church Arrangements

Mrs. Ralph Kirk presented the program on church arrangement, including demonstrations which was followed by a work shop at the regular monthly meeting of the Chosen Garden Club. Mrs. Ruth Stein was hostess to the club at her home in Chosen.

The contest on corsages was won by 1st Margaret West; 2nd Mrs. Jeanette Crews, 3rd Mrs. S. M. Cowart; in the specimen contest on amaryllis Mrs. Crews won 1st; Mrs. Ruth Stein 2nd and Mrs. H. V. Drea and Mrs. W. R. Hooker tied for third.

During the business meeting the nominating committee was elected with Mrs. Ruth Kirchman, Mrs. Cowart and Mrs. George Hudgeth to serve.

Eighteen members and four visitors enjoyed the meeting.

GIRL SCOUTS

In observance of Girl Scout Week, Troop 281 had a very special meeting on March 13, 1963, the 51st anniversary of Girl Scouting in America.

The flag ceremony was conducted by Rosanne Wood, leader, and Janis Kidder, Patricia Williams, flag bearers, and Leslie Amerine and Sue White, the color guards. While still in the horseshoe formation, our three patrol leaders, Leslie Amerine, Gayle Luce, and Janie Ward, lit the three candles representing the three parts of our Girl Scout Promise. Then 10 girls in turn lit one of the ten candles, each one representing the Ten Laws of Scouting. Each new Scout was presented to the leader by one of her friends in the troop and after repeating the Promise in unison the fol-

lowing girls were presented their Tenderfoot pin: Gladys Williams, Ann Thompson, Roxanne Caldwell, Judy McMillan, Patty Wood, Bonnie Ives, Melissa Hill, and Patricia Murray.

Gladys Williams, Patricia Murray and Roxanne Caldwell were also presented Brownie wings as they had been former Brownie Scouts.

The ceremony was closed with the troop singing, "Where'er You Make A Promise." Refreshments of Golden Punch and Girl Scout cookies were served by a committee of Janie Ward, Peggy Hart, Lucy Jones, Patricia Murray and Pandora Bus. Our refreshment table was centered with a beautiful arrangement of yellow calendulas, yellow and green croton leaves and fern

made by Gayle Luce. Mrs. Clarence Kidder, assisted by Mrs. Guy Wood, Jr., conducted the meeting. Mrs. Mendel Luce was absent because of illness.

Troop No. 281

Troop No. 281 took a hike on the dike on Friday, March 15, 1963. We were taken to Rardin Park in cars and then hiked down the dike one and one-half miles to the picnic area. There we cooked and ate our lunches and had an afternoon program consisting of: skits, knot tying, knife sharpening, climbing trees and a fashion show featuring the type of clothing to wear in the out of doors. We then hiked back to Rardin Park where we were picked up and returned to town. A good time was had by all.—Melissa Hill.

Civilians Celebrates Charter Night

Belle Glade Civilians celebrated their sixth chartering observance with a Ladies Night dinner on March fourteenth at Ray's Smokehouse. The program included a liberal sprinkling of song and the delicious roast beef dinner was interrupted by telegrams pertinent to the lives and activities of some members.

After dinner Civitan Spotty Burr conducted an impressive candlelighting ceremony which formally initiated and welcomed the new Civitans Ed Hart, Dick Murray, Larry Murray and Jim Winchester.

Civitan Danny Wallis received the annual Fruit Cake award for the best sales record. Civ-

Charter Night

tan Spotty Burr received a special award for outstanding performance as Treasurer.

This enjoyable evening was capped by a Chorus contest, more singing and a short, reflective talk by President Fussell.

XTENDER!

FOR BETTER WEED CONTROL

- Increase weed killing Power of Herbicides
- Increase Leaf Absorption of Weedicides
- Reduce Surface Tension of Weed Killing Sprays
- ACTUALLY MAKES WATER WETTER!

Xiender! is a Surface Active Agent to be used with all Dalapon, Karmex and Telvar. By reducing the interfacial tension and solubilizing oil like and wax like substances in the plant X'tender; increases the effectiveness of herbicides and often allows less material to be used for control of grasses and weeds.

MONEY TO PAY TAXES!

We provide cash for taxes of every description — federal, state, income, property, etc. What's more, the money you need can be in your hands almost as soon as you ask for it.

April Fool Traditions

April Fool! You will probably hear those words many times Monday, April 1, better known as April Fool's Day. For this is the one day of the year when it is considered proper to play harmless (?) jokes on one's friends. This is one occasion that is almost universally observed throughout the world.

Have you ever wondered how April Fool's Day came about? No one is completely certain as to its origin, but it is probably traced to the adoption of the Gregorian calendar in France in 1562. Up to that time the New Year celebration began March 21, and ended April 1. When New Year's Day was changed to January 1, some people still celebrated it on April 1. These people came to be known as "April Fools." The custom of fooling friends and relatives on that day became a popular tradition and soon spread to other countries.

In the different countries, there were, and still are, many different ways of celebrating April Fool's Day. The gypsies in Rome held a feast called the "Feast of Fools," which was much like the April Fools of recent times. In modern-day Asia, the Hindus have a festival which lasts for several days, closing on March 31. At this time they play all sorts of pranks on people, calling the "Fool's Week."

In France the victim is called an "April Fish," that is, a young fish, easily caught, and in Scotland, an "April gawk," gawk meaning a simpleton.

So when someone makes an April Fool of you, just remember, you've had plenty of company for the last 400 years.

Dee Dee Mikovsky

Named F.F.A.

Sweetheart

Dee Dee Mikovsky, daughter of Mr. and Mrs. Edward Mikovsky of 1417 N. W. Ave. F. was named F. F. A. Sweetheart of the Belle Glade Chapter. Franci Ball was second in the contest. Gilbert third place winner. They were selected out of eight girls who were chosen to compete for the members of the club. The contest was held Saturday night, March 23 at the high school gym.

The girls were judged on beauty, talent and poise. The girls who competed and their talent are Dee Dee Mikovsky, sang; Cheryl Stone, played the piano; Linda Long, sang; Laura Rogers, played the piano; Franci Ball, reading; Kay Gilbert, pantomime; Barbara Stone, played the piano; and Cheryl Bridges, twirled.

Mr. Herrod, the chapter sponsor, said that this was a great success and the girls did a wonderful job.

Dates To Circle

March 29 — Just THREE WEEKS until the PROM.

April — APRIL FOOLS' DAY.

April 1 — F. F. A. officers meeting.

April 4 — Science Club meeting.

Jaycees To Host Teen Harvest Queen Dance

Again this year a Teen-age dance is being held in conjunction with the Harvest Queen Contest. It is scheduled to begin right after the contest, and will be held in the Belle Glade Civic Center.

While Billy Butterfield plays for the adults in the Armory, "Accents," a popular group from West Palm Beach will host the Teen-Agers of this area. The "Accents" were a popular hit here when they played for one of the previous Jaycee Teen dances and have assured us they will be present for this one.

The dance will be along the same lines as the previous dances held by the Jaycees, with everyone there having a good time. The dress will be semi-formal and maybe even less after the contests.

The Harvest Queen and some of her court will attend, so let all turn out to congratulate her.

Student Of Week

Norkzia Ortiz

Norkzia Ortiz, born in Bogota, Colombia, has been in this country since November of 1962 to graduate from high school earlier than she would in Colombia.

Nors, as she is called by her many friends, likes to read and go horse back riding. Her favorite sport is swimming. In school, her favorite subject is American Government. Her favorite saying is, "All things in life come to you through personal effort."

This five-foot-four inch, brown haired, dark-eyed girl, wears her hair in a ponytail. She is a member of the Beta Club, plans to be a psychology major and attend college in Sweden.

Fruit cake is her favorite American food, though she likes all of them.

"Columbians get all my love," says Norkzia, "North Americans, my admiration."

LIFE WITH DUDLEY DONAHUE

Daily, as I slowly plod the battered path to school, I notice a very startling and amusing occurrence. As I approach the street corner adjacent to the intersection, a battery of three-foot tall, junior versions of the police corps bars my way. They are adorned in little blue caps, neatly tilted over to one side, and wide white ribbons of canvas strapped over their shoulders and around their waists. These gremli-like perversions of law enforcement, I have learned, are all members of the "Belle Glade Safety Rangers."

I have spent many tense moments standing on the corner awaiting my turn to cross, and thus have had a great chance to study their modes of operation. They begin with four of their number, planted opposite each other on the four sides of the intersection. Here they stand, innocently and proprietarily until the form of an approaching auto wheels in view. Immediately, eight cherub hands whip into motion, all of them in different directions. The bearded driver screeches to a halt. Again the four junior justice jostlers motion him to proceed, but again in four directions.

After successfully guiding the car into the rear of the car in front of it, the patrol kid smiles cheerily at the driver, waves, and then makes ready to trap his next prospective victim.

Gee, I'm glad I walk to school.

WANTED — A good home for "Gypsy," a black, seven-month old, parrot cocker, spaniel puppy. For more information, please contact the Journalism class.

Humor

To Be A Hero

By Thomas Mobley
Throughout my life I have desired to be a hero. Everything within the realm of reason, I have tried, but to no avail.

When but a small boy I took a Gila Monster and put it in my teacher's book closet. The reason for this was to arouse my teachers' frightened screams. I would then come running from the back of the classroom and crush it with my math book. My plan had a dual purpose, first it would make me a hero, with no danger to me (I had pulled all his teeth out); second I might get a raise in grade level because of my teacher's gratitude.

When the fateful moment arrived, I sat tensely in my seat, with my book clutched tightly in my hands. My teacher opened the book closet and walked in, but to my surprise, the expected scream was not emitted. Instead an amused chuckle issued forth. She strode out of the closet with the monster in her hands. She cooed to it in a motherly fashion while I gnawed on her hand with its toothless gums.

I sat with an abashed look on my face as the realized I had been fooled. The sinking feeling of defeat was rapidly taking hold when suddenly I remembered that the Gila monster's venom is not injected through the teeth but through two small fangs in the roof of the mouth. I smiled.

4-H's Students Receive Awards

Ribbons and cash prizes were awarded to girls who participated in the Dress Review at the county fair. Girls who won awards include Suzanne Wierenga, Karla Mandfield, Ruth Hearn, Christine Ives, Helen Zywicki and Kathryn Ives. These awards were given during the club meeting.

Plans were also discussed for the Glades Achievement Day to be held April 20 at the high school cafeteria. Each 4-H member is expected to put in an exhibit of their projects.

A county dress review will be held April 27 at Mounts Agricultural Building. Two members will be selected to model their garments at the State Dress Review in Tallahassee.

Mrs. Hearn, the sponsor, said that all projects must be in by May 1.

Cooliest of Week

SONG — "Dream"
MOVIE — "Son of Flubber."
BOOK — "The Good Earth"
MAGAZINE — "Mad"
FADS — Skipping School and wearing sunglasses.
EXPRESSION — "Oh! I hurt my ankle."

CLUB — Future Farmers of America.
BEST DRESSED BOY — Michael Berryhill.
BEST DRESSED GIRL — Gwen Gove.

CAR — Jerry Haulcomb's Chevy.
BOY'S HAIR — Martin Bush.
GIRL'S HAIR — Kathryn Zywicki.

COUPLE — Susan Weaver and Ralph Marotta.
CAT OF THE WEEK — Ivan Wilcox.

CHIC OF THE WEEK — Sherry Knight.
BEST DRESSED TEACHER — Mrs. Litchfield.

Discussions Held In Speech Classes

Panel discussions have been held in the second and fifth period speech classes this week. Contrivental subjects such as "Should Thalidomide Babies Be Destroyed?" "Is Capital Punishment Fair?" "Should Mercy Killing Be Legalized?" "Liberalism vs. Communism," and "Should Government Control Labor?" are discussed.

The panels consist of four members of the class plus a chairman. The panel members discuss a subject among themselves, then the discussion is open to the whole class.

These discussions have proved to be very profitable to the students in that they help them to listen to others' opinions, develop their ability to express themselves in matters of importance, and learn more about these very important subjects which concern everyone.

Dear Diary

March 22
Dear diary, I was feeling pretty ill. I ching powder was thrown down my back. Got sick for dancing.

March 25
Dear diary, It's prom time again and it looks as if I'll be sitting home alone. Dropped my books on his toe.

March 28
Dear diary, still working for date. Gave him my English homework paper. Got F for the day's work. He got A.

March 27
Dear diary, Found out his weakness. Layed out plans for attack. Hope it works!

Iris, The Egret

Fathers of the members were honored at a pot luck supper held during the regular monthly meeting in January. At the February meeting a special talk was given by the manager of Sally's Fabric Shop in Lake Worth.

The girls took their annual trip to the state fair in Tampa during February. Each girl is expected to complete a personal home, community and school project each year.

The sponsor of this club is Mrs. Litchfield. Without her understanding and guidance this club could not exist.

By Mary Lou Raulerson
I've got long, tooth-pick legs; But I'd be better off with pegs. Perched upon a branch of a willow tree I sway in the smooth rhythm of the breeze. Then comes a damned old wind And here I go once again. Bottom end draped over the twig.

Teacher Of Week

Our teacher of the week is Mrs. Nedra G. Hill. Mrs. Hill has been teaching for eleven years, four of which she has been at Belle Glade High. She received her B. A. from Blue Mountain College and her M. A. from Mississippi State University. She was a member of the Modern Society.

Mrs. Hill teaches English IV and speech. She sponsored the annual speech contest and the senior class play now being produced, is under her direction.

As for advice to students planning to attend college she said, "I advocate that students belong to student unions in college if they're looking for whole some fun and a mate for life. It was through the B. S. U. that I really got to know my husband-to-be, though a flooded river had prevented his keeping a date with another girl."

CLUBS

Future Homemakers Of America

The purpose of the F. H. A. is to make better homemakers. The officers are the following: President, Anna Marie LaChance; Vice President, Barbara Stone; Secretary, Jamie Lee; Treasurer, Joan Fortinberry; Projects Chairman, Sharon Wilder; Historian, Pat Fisher; Parliamentarian Mary Alice McMillan; Public Relations Chairman, Franci Ball; Recreation Chairman, Joyce Kirchman; Hostess, Farrel Kaufman.

The regular monthly meeting is held on the fourth Monday evening.

The F. H. A. sponsors many worthwhile projects and activities. They are responsible for the annual State Hawkins Dance. Each spring they sponsor the Little Miss Belle Glade contest. The F. H. A. sends ten dollars to the state F. H. A. scholarship fund and ten dollars to CARE each year.

Fathers of the members were honored at a pot luck supper held during the regular monthly meeting in January. At the February meeting a special talk was given by the manager of Sally's Fabric Shop in Lake Worth.

The girls took their annual trip to the state fair in Tampa during February. Each girl is expected to complete a personal home, community and school project each year.

The sponsor of this club is Mrs. Litchfield. Without her understanding and guidance this club could not exist.

Girls Athletic Association

The purpose of G. A. A. is to provide sports activities for those girls who are interested in furthering their interests and skills in basketball, tennis, softball and track.

The officers are these: President — Linda Rockwell; Vice-President — Amanda Bailey; Secretary-Treasurer — Cindy Maskey; Membership Chairman — Merikay Mincey. The Girls Athletic Association promotes physical, mental, social, and emotional growth through the medium of physical activities. To attain the goals not only of sportsmanship but also of leadership is a hope that all the girls work to attain.

Amigos In Belle Glade

Atomic Scientist Presents Program

Last Wednesday at 10:34 a. m. the Oak Ridge Institute of Nuclear Studies presented an assembly program to the entire student body titled "This Atomic World."

The topics from this assembly were selected from the following: Atomic Structure, Fusion, Fission and Fusion, Radiation Biology, and the Nucleus.

Some of the students were heard commenting that this was a very interesting and educational assembly program.

Sports News

Sports-Track

Last Wednesday evening, Belle Glade, Pahokee, and Clewiston held a triangular track meet. Belle Glade scored 78.5 pts., Pahokee 84.5 and Clewiston 89.5.

Some of the students were heard commenting that this was a very interesting and educational assembly program.

At the end of the tournament Sacrest had won the overall match. Markey Mincey one of the best players on our team was eliminated in the second round of matches by a score of 11-9. We had Linda Rockwell, Susan Wierenga and Mary Kay Pender playing for us. Each of them made a fine showing of their talents.

At the end of the tournament Sacrest had won the overall match. Markey Mincey one of the best players on our team was eliminated in the second round of matches by a score of 11-9. We had Linda Rockwell, Susan Wierenga and Mary Kay Pender playing for us. Each of them made a fine showing of their talents.

Poppy Day Tribute

Recently Mayor Floyd Markham proclaimed March 23rd Poppy Day in Belle Glade. In cities all over the state, club members, volunteers and even groups of children will go about distributing poppies on a day designated so.

The full meaning of a Poppy Day is best described as a tribute to the deceased and disabed of three wars. By wearing a red poppy, one is giving a tiny part of an endless memory to the fallen soldier.

Although Poppy Day has ended, its meaning has not. To remember the valiant who fought, who lived and who died is a duty we owe to our country.

It would seem that this creature, with such great inventiveness and ability could find a way to balance his country's budget, settle a simple dispute in order to let a city of seven million have a newspaper, live in peace with others on the opposite side of the world, and find a place to put his chewing gum other than under his school desk.

The Ram-Page Staff

The student publication of Belle Glade High School, published weekly in the Belle Glade Herald.

Rotary Club Treats Honor Students

Students on the A honor roll are honored each six weeks by the Rotary Club at a luncheon. The fourth six weeks honor roll students were luncheon guests at the regular Rotary meeting last Friday. The students who attended were Barbara Wolf, Anna Marie LaChance, Sharon Motes, Kathryn Zywicki, Glen Wolf, Brenda Bass, Gail Teale, Jacilyn Johns, Ronnie Gerry, Margaret Thompson, Winiford Williams.

Dr. C. W. Kidder, Program chairman, introduced the guest speaker, Mr. Don Fisher, who showed slides and commented on his trip to Africa.

Band Wins Top Rating

The Belle Glade High School band won superior ratings in marching, concert, and sight reading in the district contest held March 28. This will enable them to attend the state contest in Miami on May 3.

The students of Belle Glade High are proud of the achievements of our fine hard-working band.

The Gossiping Gandy

by Magnolia Westberry & Pearl Snodgrass
Well, we meet again. I know you're all just bursting to read the gossip for this week so we won't keep you waiting.

Josephine C. and Robert B. seemed to have been hitting it off pretty well a couple of weeks ago. I heard there were several wedding guests at a certain birthday party last Thursday night. Don't believe me? Ask Judy S. Were you there, Raymond T., Pat F., John B., Lee R., Lisa G.?

And speaking of parties, weren't we disqualified for a minor infraction of the baton exchange rules. One of our faster seniors, Martin Buss, was beat out by Paul of Pahokee in the 880 yd. dash by a slim margin of one second.

In the field events we took two second places. Buckner ran a second place mile run with a usual first place time of 5 minutes and 15 seconds. Tommy Close came in with his very close second place in the high jump of 5 ft. 2 in.

Sports-Girls Tennis

Last Thursday our school attended the Suncoast Conference tournament. There was a total of ten schools attending: Seacrest, Forest Hill, Palm Beach, Riviera Beach, Vero Beach, Ft. Pierce, Stuart, Pahokee, Lake Worth, and Belle Glade. All participants made a fine showing of sportsmanship, teamwork, and talent.

At the end of the tournament Sacrest had won the overall match. Markey Mincey one of the best players on our team was eliminated in the second round of matches by a score of 11-9. We had Linda Rockwell, Susan Wierenga and Mary Kay Pender playing for us. Each of them made a fine showing of their talents.

Editorials

The World's Oddest Animal

Research in scientific materials recently uncovered what may be the strangest creature to ever walk the face of the earth. It can go without sleep for 115 hours, go without food for 75 days, go without water for 22 days, and has survived heat of 248 degrees and cold of 163 degrees below zero. This amazing animal has been found at altitudes of over 28,000 feet and depths of 500 feet below the sea; it has existed without its limbs, ears, teeth, intestinal tracts, stomachs, and other organs, and has lived after its heart stopped beating for half an hour.

This animal-oddity can travel more than two thousand miles an hour, can easily kill a whale weighing more than 50 tons, and can exist in every type of climate found on earth. It lives in nests almost a quarter of a mile tall, and is the only animal that does not fear fire.

This same creature has whirled a hula hoop over 14,000 times without stopping, walked on his hands thirteen miles a day, and crammed thirty-three of its kind into one phone booth. It often lives on metrical and yogurt, and understands adult westerns.

It would seem that this creature, with such great inventiveness and ability could find a way to balance his country's budget, settle a simple dispute in order to let a city of seven million have a newspaper, live in peace with others on the opposite side of the world, and find a place to put his chewing gum other than under his school desk.

Last Monday Belle Glade greeted 32 Peruvian kids which arrived at Miami in the Herald's Operation Amigo March 13 and will leave today.

Mr. Vince Marques, Mrs. Nicks, Margie Townsend, Mike Berryhill, and Norcia Ortiz met at Pahokee. Traveling through Hooker Highway, they were shown the court house and prison farm, then the business district. Last night they were shown the court house and prison farm, then the business district. Last night they were shown the court house and prison farm, then the business district.

Afterwards they were taken on a tour through Pioneer Growers and Glades Cane Sugar Mill where Mr. Bob Lee showed them the complete process of the cane; then at the Experiment Station, Dr. Victor Gove, then a native Peruvian led the tour giving them very important information on soils and crops, after which they departed for Forest Hill High.

Their impressions about North Americans are great, as they said: "We are glad to know that the U. S. and its people are not what we see in the Hollywood movies; they have been very friendly and helpful to us, an impression we'll take back with us to Peru."

The Gelle Glade-Pahokee area planted with cane nearly appeared to them for in Peru the production of sugar is a big industry.

They enjoyed their visit here as much as we did having them. Mike Berryhill, student body president, said following the Amigos' visit: "This has really been an interesting and educational experience. Through their visit and others like it I feel we can reach a better understanding with our American neighbors."

The World's Oddest Animal

Research in scientific materials recently uncovered what may be the strangest creature to ever walk the face of the earth. It can go without sleep for 115 hours, go without food for 75 days, go without water for 22 days, and has survived heat of 248 degrees and cold of 163 degrees below zero. This amazing animal has been found at altitudes of over 28,000 feet and depths of 500 feet below the sea; it has existed without its limbs, ears, teeth, intestinal tracts, stomachs, and other organs, and has lived after its heart stopped beating for half an hour.

This animal-oddity can travel more than two thousand miles an hour, can easily kill a whale weighing more than 50 tons, and can exist in every type of climate found on earth. It lives in nests almost a quarter of a mile tall, and is the only animal that does not fear fire.

This same creature has whirled a hula hoop over 14,000 times without stopping, walked on his hands thirteen miles a day, and crammed thirty-three of its kind into one phone booth. It often lives on metrical and yogurt, and understands adult westerns.

It would seem that this creature, with such great inventiveness and ability could find a way to balance his country's budget, settle a simple dispute in order to let a city of seven million have a newspaper, live in peace with others on the opposite side of the world, and find a place to put his chewing gum other than under his school desk.
